Esteemed Samdech President,

It is a great pleasure for me to learn that the 6th National Assembly Election of the Kingdom of Cambodia has been successfully held on 29 July 2018. The Cambodia People's Party (CPP) has gained an outstanding victory to sustain its role as the country's ruling party. On behalf of the National Assembly of the Socialist Republic of Viet Nam and in my own name, I would like to convey to Samdech President and the people of Cambodia our warmest congratulations.

With the above-mentioned important victory, the National Assembly and people of Viet Nam are strongly confident that the people of Cambodia will obtain all the more tremendous achievements in the course of national construction, stabilization, and development, along with the further enhanced role and position in the international arena.

I also firmly believe that the relationship of “*good neighborliness, traditional friendship, comprehensive cooperation and lasting sustainability*” between Viet Nam and Cambodia in general, and the cooperation between the National Assembly of Viet Nam and the National Assembly of Cambodia in particular will be significantly developed, in the interest of our two peoples, actively contributing to peace, stability, cooperation and development in the region and the world over.

May Samdech President have good health, happiness and further achievements in your noble position!

Please accept, Samdech President, the assurances of my highest consideration.
