STATEMENT

of the Spokesman of the Ministry of Foreign Affairs and International Cooperation

The Ministry of Foreign Affairs and International Cooperation of the Kingdom of Cambodia expresses its concern to the test-launch of an intercontinental ballistic missile (ICBM) conducted by the Democratic People's Republic of Korea (DPRK) on 4 July 2017, which is a clear violation of the relevant United Nations Security Council (UNSC) Resolutions.

The Ministry of Foreign Affairs and International Cooperation calls on DPRK to comply with all relevant UNSC Resolutions and its international obligations and calls on all parties concerned to exercise self-restraint and create an environment conducive to the early resumption of the Six-Party Talks.
